Someone Stole The

While I was taking a short -nap
someone stole the ,
I should have spun round like a herine wheel
when someone stole the .
But I was too slow to touch them,
when someone stole the .

Now the amaran can't float,
because someone stole the .
And the erpillar can't crawl,
because someone stole the .
And the aract can't fall
because someone stole the .

It was not me and it was not you
but it is egorically true,
And if you were to ask me
I'd say it was a astrophe
That someone's stole the .
